Green Tips to Visit RenewX

Let's make RenewX expo a greener event together! Here are a few things you can do to minimize your environmental impact:

- **Carry your own reusable water bottle:** This reduces plastic waste and saves you money. We have arranged drinking water dispensers to refill it.
- **Opt for public transport or e-taxis:** Minimize your carbon footprint by using sustainable transportation options.
- **Minimize waste:** Dispose of waste responsibly and avoid single-use items.
- **Conserve energy:** Turn off electronics when not in use.
- **Collect brochures only if you need them:** Reduce paper waste by only taking brochures that you'll actually use.

By following these simple steps, you can contribute to making the RenewX Expo a more sustainable event. Let's work together to create a greener future!
